Your Aim  
Indeed

### LIBRARY

There is a fairly large library housed in the college campus on the first floor, graduate students can study book in the library and having access of internet facility in the library.

### HOSTELS :

There are hostels for Boys and Girls. Each hostel has a warden and Asst. Warden to look after the needs of the hostels and to enforce discipline. They are required to take permission from the Warden/Asst. Warden before they go out of station or wish to spend the night out for some valid reason. Mess arrangements are available in hostel for both boys & girl which provide healthy meals. Kitchen area is attached with very spacious dining hall.

### MESS:

The hostel block has been provided with up to date, well built, spacious and a spice and span mess units. Only vegetarian foods is served. The daily meals include milk breakfast, lunch, evening tea with snacks and dinner. Water purifiers and water coolers are provided for safe drinking water.

### CANTEEN:

Canteen facilities is available in the campus. Hot and Cold beverage and snacks are provided. Games and sports facilities for outdoor games with a playground have been provided.

### MEDICAL FACILITIES:

To care for the ailing students, all kinds of medical facilities are available round the clock within campus.

### SECURITY:

For the safety and security of men and materials, proper security arrangements have been made at several points, including in the boys and girls hostels, respectively.
